Black Angels Over Tuskegee is one of the longest running productions Off-Broadway. The award-winning, historical docudrama is a narrative of six men embarking upon a journey to become the first black aviators in the United States Army Air Forces during a tumultuous era of racial segregation and Jim Crow idealism in twentieth century American history. Now in its 10th year, Black Angels Over Tuskegee is inspired by true events. Learn more at www.blackangelsovertuskegee.com.
